TTC RELIEF LINE

The transit South Relief Line project has been approved to proceed into the construction phase. Located at Sherbourne and Queen Street East, Sherbourne Station will be a 5 minute walking distance from Bauhaus.

The line will run approximately 16 km in distance covering eight stations with a journey time of 30 minutes or less. It will assist to relieve crowding on Line 1 South of Bloor, Bloor-Yonge Station and all surface transit routes for access in and out of downtown Toronto.
